

INS1535

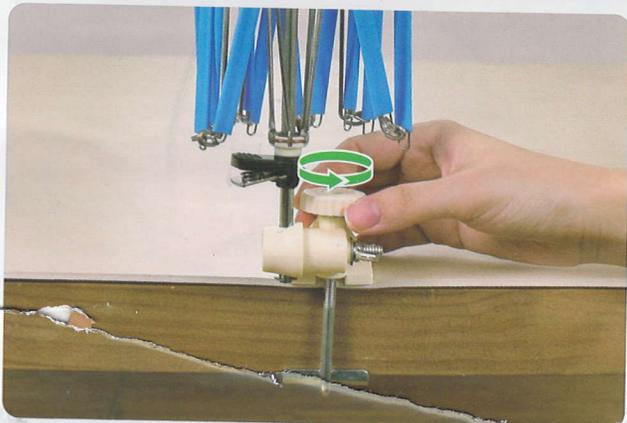

Use it on a table thinner than 1.75"/4.5cm

# Yarn Swift

## Step1: Set the yarn swift to the table

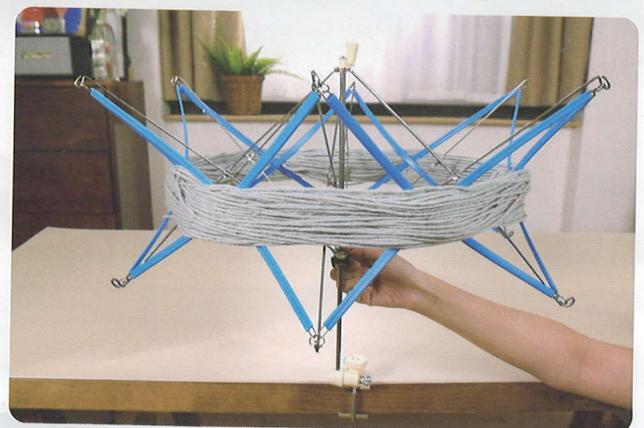

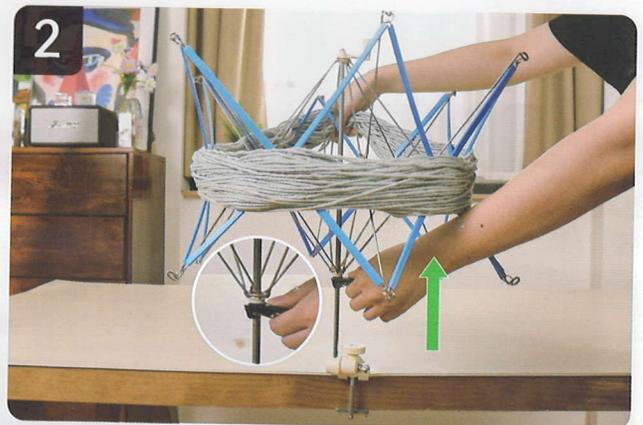

1

Set the clamp to the edge of table, turn the knob to tightening the clamp

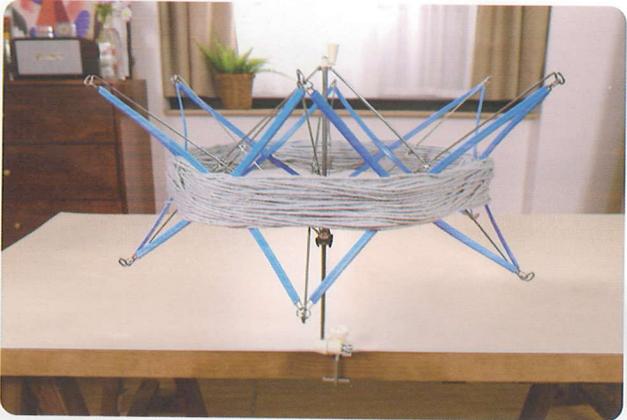

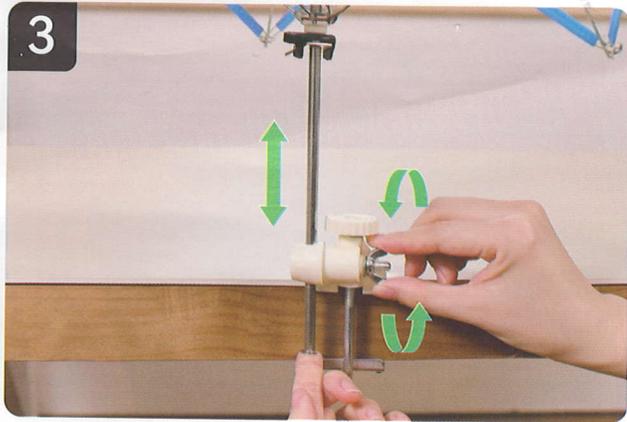

## Step2: Hang on the yarn

2

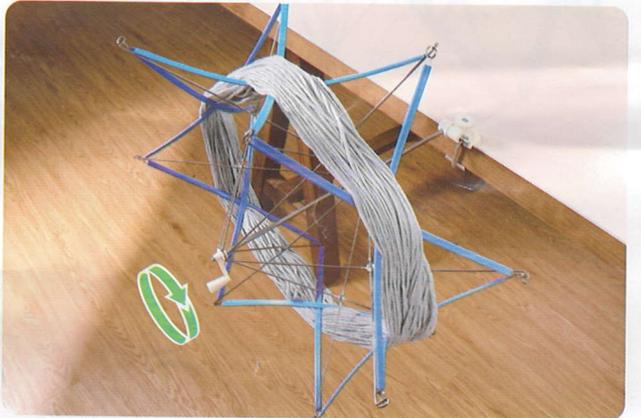

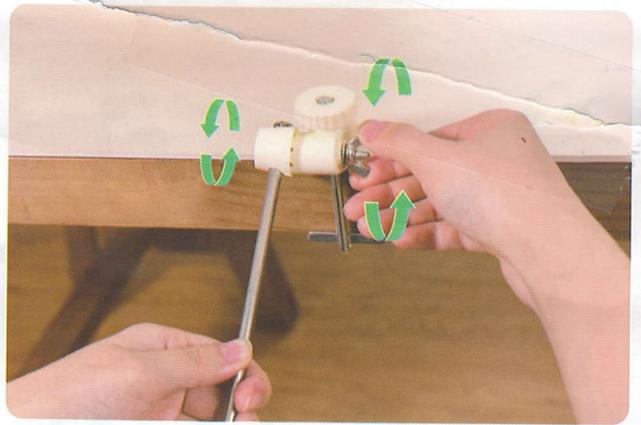

Hang the yarn on vinyl ribs and push the Stopper

### Step3: Adjustment of use height

### Adjustment of use angle

Tips: It may rock a little when using the top handle, but it doesn't affect the use.

### Step4: Use with yarn winder
